

CONSTRUCTION NOTIFICATION WORK IN YOUR NEIGHBORHOOD

PROJECT SSR 2019-04: FARVIEW FORCEMAIN REPLACEMENT - PHASE 2

PROJECT AREA: EAST HAVEN — FARVIEW RD. TO SILVER SANDS RD. AND EASEMENT TO COMMERCE ST.

PROJECT OVERVIEW

The purpose of the project is to complete the full reconstruction of the existing Farview Pump Station Force Main in East Haven. Phase 1 of the project included the replacement of 750 linear feet (lf) of existing 12" Cast Iron pipe. This project (Phase 2) includes replacing the remaining portion of approximately 730 lf of Cast Iron Pipe and Asbestos Cement Pipe installed in 1961.

BENEFITS

- Restoration of the capacity and the extension of the life of the sewer forcemain.
- Increased reliability of the pump station and forcemain.

IMPACTS

- Bypass pumps and piping required to temporarily redirect flows around sections being replaced.
- Excavations required where forcemain is being replaced.
- Road closures and detours are expected in the project work area. Traffic will be guided by signage, police, and/or flagman and roads will be open in case of emergencies such as flood conditions to maintain access.
