Bidders are hereby notified of the following additions, deletions, and modifications to the Contract Documents for the Wind Resiliency Project. The content of this Addendum modifies the scope of work.

Bidders shall acknowledge receipt of this Addendum in the space provided in Article 5.03 of the Bid Form for Construction Contract.

**A. RESPONSE TO BIDDER QUESTIONS**

**Question 51:** Are there liquidated damages? Your response#13 in addenda #1 says article 4, paragraph 4.03 describes the conditions and amount of liquidated damages. The spec book section mentioned has this as reference points for engineering surveys. Please provide the amount of liquidated damages.

**Response 51:** The Project Manual section entitled "AGREEMENT BETWEEN OWNER AND CONTRACTOR FOR CONSTRUCTION CONTRACT (STIPULATED PRICE)", ARTICLE 4-CONTRACT TIMES", paragraph 4.03 Liquidated Damages indicates that there are liquidated damages of \$1000 per day. Please refer to this section of the Project Manual for additional information.

**Question 52:** When is the start date for the project?

**Response 52:** The project start date will be established by the "Notice to Proceed" which will be issued after bids have been received and evaluated, and after the project award has been approved by the Greater New Haven Water Pollution Control Authority Board of Directors.
